

## Directions to the Meeting Point

We meet at a very easy to find and convenient place. However, if you travel by train there are some steps, so if you need wheelchair access, please travel to the meeting point by another means.

We meet at **Exit 1 of Keihan Gion Shijo Station**, Station Number KH39, which is at the South-east intersection of Donguri Dori and Kawabata-dori, GPS coordinates 35.001983, 135.771526.

**Please try your best not to be late as the walk will finish at the scheduled time.**

1) If you're getting the train to the meeting point, which is the easiest thing to do and recommended, get off at Gion Shijo Station, Station Number KH39. If you are taking another form of transport to the meeting point, please skip to number 5 in these instructions.

2) Find the tunnel to Exit 1.

3) You will come out of here. Turn right and look at the small park immediately next to the exit. The walk-leader will be on the bench in this park at the meeting time. If you walk more than 5m, you've gone too far.

Do not walk towards the big street.

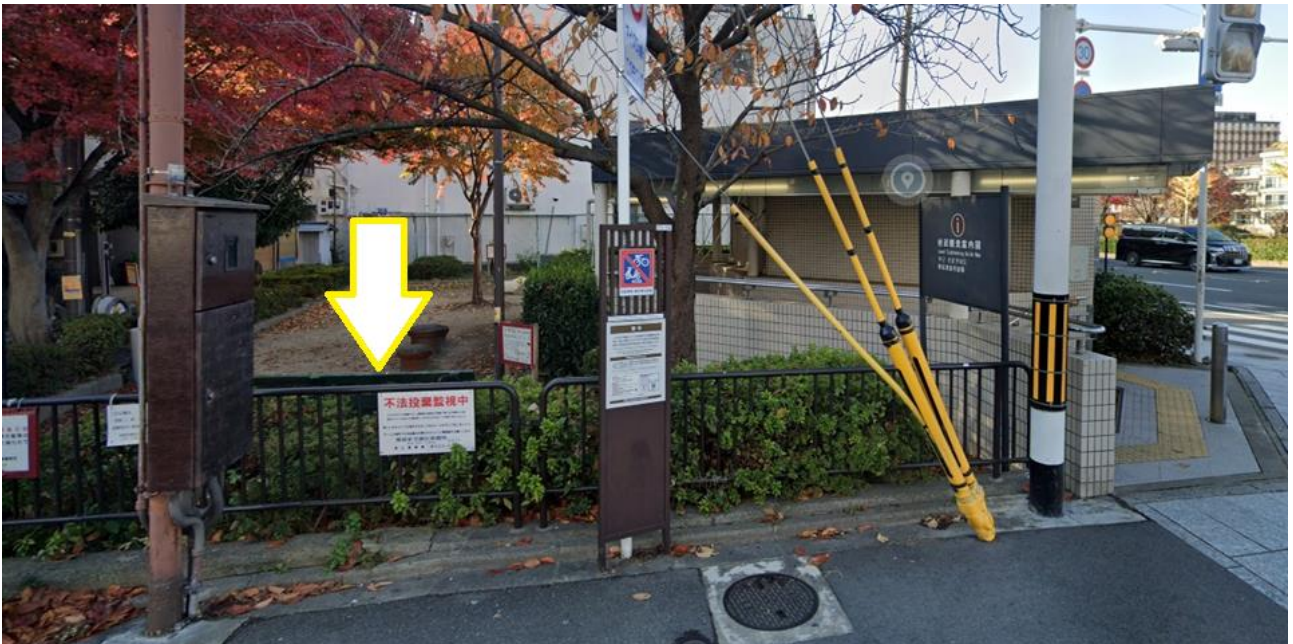

Across from the meeting place you can see this building. Do not cross the street.

4) When you emerge from the station exit, turn right and look at the small park immediately next to the exit. The walk-leader will be on the bench in this park at the meeting time.

##### 5) Instructions for people who aren't taking the train to the meeting point.

The meeting point is in a small park next to the exit from Keihan **Gion Shijo** Station at the South-east intersection of **Donguri Dori and Kawabata-dori**, GPS coordinates 35.001983, 135.771526.

The walk-leader will meet you at the arranged time on the bench in the small park next to the station.
